STATEMENT OF OBJECTS AND REASONS

While launching "Housing for All" Mission, Government of India recommended to repeal the Rent Control Act and replace it with new legislation on the line of Model Tenancy Act, suggested by the Government of India as one of the mandatory conditions to be fulfilled by the State. To fulfil this mandatory condition, legislation has to be undertaken.

2. The purpose of the Tamil Nadu Buildings (Lease and Rent Control) Act, 1960 Tamil Nadu Act 18 of 1960 was to regulate the rent as well as give powers to the Government to take certain properties on rent at fair rent even against the wish of the property owner if it was desirable in the interest of the State or required by the Government. These provisions made long back when supply of rental accommodation was limited, real estate business had not evolved and properties were vested in the hands of very few people.

3. Now the scenario has changed. Robust real estate and availability of enough housing stock makes the existing rent control Act out of place. The existing Act has created lot of vested interest against the landlords. Further, the supply of the rental housing and growth of rental housing market has been severely affected leading to growth of slums in absence of sufficient stock of rental houses. To tackle the problem, the new Law has to be enacted for the State, after repealing the existing Tamil Nadu Building (Lease and Rent) Control Act, 1960.

4. The Government have decided to enact the Tamil Nadu Regulation Of Right And Responsibilities Of Landlords And Tenants Act, 2017 on the lines of the mode bill suggested by the Government of India. The new Law aims to regulate the rent as per the terms and conditions of the agreement to be entered into between the owner of the premises and the tenant. It also aims to balance the rights and responsibilities of the landlord and the tenant and provide regulation of the rent as per the agreement.

5. The Bill seeks to give effect to the above decision.

However, the Managing Director of the said Board had been acting as one of the Members of the said Board with effect from 10th March, 1997 and he has also been exercising the powers and performing the duties of Chief Executive Officer of the said Board. As the services of the Managing Director to the said Board on whole time basis are absolutely necessary, the Government have decided to include Managing Director as Member of the Board as well as Chief Executive Officer of the said Board and designate the Secretary in the Board as Secretary to the Board. Accordingly, it has been decided to amend the said Tamil Nadu Act 11 of 1971 for the above said purpose and also to validate the participation of the Managing Director in the meeting of the Board and action taken by him.
