IMPLEMENTATION OF PRICE SUPPORT SCHEME (PSS)-PROCUREMENT OF COPRA IN TAMIL NADU UNDER PRICE SUPPORT SCHEME FOR THE YEAR 2024

[G.O.Ms.No. 50, Agriculture-Farmers Welfare (H2) Department, 29th February 2024,  
மாசி 17, சோபகிருது, திருவள்ளூர் ஆண்டு-2055.]

No. II(1)/AFW/4(k)/2024.

Crop calendar and Harvesting period of Coconut in the State of Tamil Nadu	<p>A remunerative and stable price environment for Coconut growers/farmers is very important for increasing Coconut production and productivity. The market price for Copra many times tends to be unstable and volatile resulting in undue losses to the growers / farmers as well as discourages adoption of the modern technology and required inputs.</p> <p>The Government's price policy for agricultural commodities seeks to ensure remunerative prices to the growers for their produce with a view to encourage higher investment and production and to safeguard the interest of consumers by making available supplies at reasonable prices with low cost of intermediation. The price policy also seeks to evolve a balanced and integrated price structure in the overall perspective of the needs of the economy.</p> <p>Towards this end, the Government announces Minimum Support Prices (MSP) for major agricultural commodities each year in both the Crop seasons after taking into account the recommendations of the Commission for Agricultural Costs and Prices (CACP).</p> <p>In the scheme for the procurement of Copra in the year of 2024, as per the guidelines of Government of India, (Department of Agriculture and Co-operation), the notification regarding Crop calendar and harvesting period of Coconut in Tamil Nadu is to be required as a part of the proposal.</p> <p>Therefore, the Government of Tamil Nadu is willing to implement the Price Support Scheme (PSS) and its operation in Tamil Nadu and accordingly declare the following details:</p>
---	--
