section 37

“(1-A) In case of conversion of an aided institution into a Brown field University, the conditions of service of the persons employed in the Government sanctioned posts of such institution, shall not be in any way less favourable than those which would have been applicable to them if there had been no such conversion:

Provided that nothing contained in this sub-section shall be construed as precluding any such employee from entering into an agreement for granting him rights or privileges in respect of any matter which are more favourable to him than those to which he would be entitled under this sub-section.”.

9. After section 55 of the principal Act, the following section shall be inserted, namely: —

Insertion of new
section 55-A.

“55-A. Completion of courses of students. — Notwithstanding anything contained in this Act or the rules made under this Act, any student of the private college affiliated to any University who, immediately before the conversion of that private college into a Brown field University, was studying or was eligible to appear for any of the examinations of that University, shall be permitted to complete his course of study in that University and the Brown field University shall make arrangements for the instruction, teaching and training for such students for such period and in such manner as may be prescribed in accordance with the course of study of the respective University and such students shall, during such period, be admitted to the examinations held or conducted by the respective University and the corresponding degree, diploma or other academic distinctions of the respective University shall be conferred upon the qualified students on the result of such examinations, by the respective University.”.

STATEMENT OF OBJECTS AND REASONS

The Tamil Nadu Private Universities Act, 2019 (Tamil Nadu Act 14 of 2019) enables establishment of a Private University afresh without any consideration to any existing educational institutions. Of late, existing private colleges in the State having adequate facilities for teaching, research, examination and extension services are evincing interest in starting private universities so as to explore advanced research in education and also to start contemporary courses in collaboration with Global Universities.

2. As per section 4 of the aforesaid Act, 100 acres of contiguous land is required for the establishment of Private Universities in Tamil Nadu. Educational Institutions which are operating in Municipal Corporation areas, Municipal council areas and town panchayat areas are finding it very difficult to identify such huge extent of contiguous land in those areas. If the requirement of land is reduced in line with the Acts of private universities of the other neighbouring States, requests of eligible and deserving educational institutions may be considered. Hence, in the interest of students' community and to promote Higher Education and in order to simplify the norms for establishment of Private Universities in the State, the Government have decided to amend the aforesaid Act for the said purpose.

3. The Bill seeks to give effect to the above decision.

DR. GOVI. CHEZHIAAN,
Minister for Higher Education.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clauses 1 (2), 7 and 9 of the Bill authorise the Government to issue notifications or make rules, as the case may be, for the purposes specified therein.

2. The powers delegated are normal and not of an exceptional character.

DR. GOVI. CHEZHIAAN,
Minister for Higher Education.
